Wireless Stereo Headset

H8060

The stylish H8060 is comfortable, boasts great sound quality, and also offers more convenient control of your music player: The built-in touch controls offer easy access to key functions like play/pause, volume, previous/next track without you needing to open your media player. The H8060 isn't picky and can connect to your audio source via its 3.5 mm audio input or RCA/phono connectors. What's more, the intelligent power-saving mode in combination with the built-in lithium battery offers 8 hours' uninterrupted music enjoyment.

▸ 2.4 GHz audio transmission

Wireless audio enjoyment: The proven advanced 2.4 GHz standard offers you high quality audio transmission with a range of up to 10 m and 360° coverage.

▸ Built-in omnidirectional microphone

Listen up: the built-in omnidirectional microphone is hidden in the headsets casing and offers a high-quality voice transmission.

▸ Touch controls

Control at your fingertips: The built-in touch controls give you easy access to key functions like play/pause, volume, previous/next track without you needing to open your media player.

▸ Multiple audio inputs

Easy connection: The H8060 features 3.5 mm and RCA/phono connectors.
